

How to make a Venmo Payment:

Send to @Grinter-Friends

If you need 4 digits of a phone number, please use 1553

Venmo is set up as a convenience to renters. Any charges to the payments will be passed on to the renter.

Please use the name of the type of event you are having or an emoji that represents the event.(examples: Birthday or a cake emoji, Baby Shower or a baby emoji, Graduation or a mortarboard emoji.) Using words such as “rental” or “event space” can result in a charge which will be passed on to the renter.

DO NOT SELECT, “PAYING FOR A GOOD OR SERVICE”

This can also result in a charge which will be passed on to the renter.

Thank You!
